## BORAG THUNGG, EARTHLETS,

It's thrill-bonanza time! This week's legendary prog brings you a colour scan of the charming *diGriz* family, along with the winners of my Dungeons & Dragons' competition, *plus* – as if this was not enough – a circuit-refreshing Prologue to Book II of my long-awaited saga about life in the 50th century, *The Ballad of Halo Jones*. Before you set your transistors to maximum input, however, I must insist that you stop bombarding the Command Module with news of the whereabouts of the *Fink Brothers*. Interest in the mega-disc, *"Mutants In Mega-City One"*, is running at fever pitch, with the result that my lines of communication are now jammed with reported sightings of the mutant madlets! Cease and desist at once, Terrans. If you have any information, pass it directly to *Judge Dredd* at Justice Dept Headquarters, leaving your name, vid-phone number and next of kin.

SPLUNDIG VUR THIRIGG!

# THARG

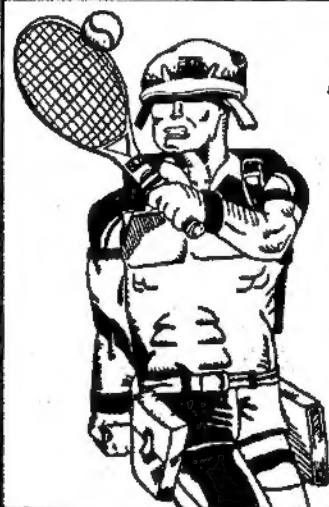

## BOILED THARG

Drawn by Earthling Toby Foster,  
W. Yorkshire. £10 Winner.

## McENROGUE TROOPER

Drawn by Earthlet Matthew Hume,  
Luton. £10 Winner.

## TEACHER'S PET HATE

Borag Thungg, Tharg.

Please send one of your Rigelian Hotshots to our housemaster at school. Whenever he sees one of my thrill-powered progs he confiscates it, and throws it into an Earthlet disposal pod called a "Bin". He tells me that your marvellous literature is not good for my English! One or two of my friends have severe thrill-sucker infestation, and I can only keep going by reading through my back progs.

From miserable Earthlet Gary Hoey, Aberdeen.  
£5 Winner.

A Hotshot will not be necessary. I suggest you show him the creative verse programmed beneath your letter, and ask him to reconsider.

## POEM (GOOD FOR YOUR ENGLISH)

Dear Tharg,

I send to you a poem: space is a strange place indeed...

You see the constellations  
In a different light  
When there is no cloud, or day,  
When there is only night,  
But there's no gravity.  
That is a consolation in some ways  
When floating fills the days,  
Although they don't exist.

From talented Terran Barry Powell, New  
Malden. £5 Winner.

## A PRECOGNITO WRITES...

Dear Tharg,

As I gaze into my crystal thromdibulator, it becomes obvious to me that The Mutant, *Judge Dredd's* latest enemy, is in fact Uncle Ump! The inventor of addictive candy is clearly bent on vengeance after being marooned in deep space. His "murder" by umpty-baggers was negated by long-term exposure to umpty candy...which accounts for his hideous mutation! I confidently predict that the whole thing will end in tears.

From The Great Precognito, Stafford. £5 Winner.

Recent episodes of *Judge Dredd* suggest that you are not quite on the ball there, Earthlet, but nice try all the same.

## I NOW PRONOUNCE YOU...

Dear Tharg,

I am enquiring about the pronunciation of "strontium", as in *Strontium Dog*. I think it should be pronounced stron-tee-um, while my grexnix friends insist it should be stron-chum. Tell them I am right, Mighty One.

From Earthlet Stephen Beistan, Co. Antrim.  
£5 Winner.  
He is right.

## VOTE HERE!

Each week Tharg displays your drawings and letters on his Nerve Centre. There are big cash prizes for every entry published, so write to him now! The address is: THARG'S NERVE CENTRE, COMMAND MODULE 2018, KING'S REACH TOWER, STAMFORD STREET, LONDON SE1 9LS.

The  
Ballad  
of  
**HALO JONES**

BOOK TWO.  
PROLOGUE:

OVER THE CENTURIES, A LOT OF NONSENSE AND DISTORTION HAS BUILT UP AROUND THE NAME HALO JONES.

IT'S SAID THAT SHE WAS A WAR CRIMINAL WHO AIDED IN THE SLAUGHTER OF MILLIONS...

SUPPOSEDLY, SHE MET MANY FAMOUS HISTORICAL FIGURES, INCLUDING LUX ROTH CHOP, LUIZ CANNIBAL AND SALLY GUASA.

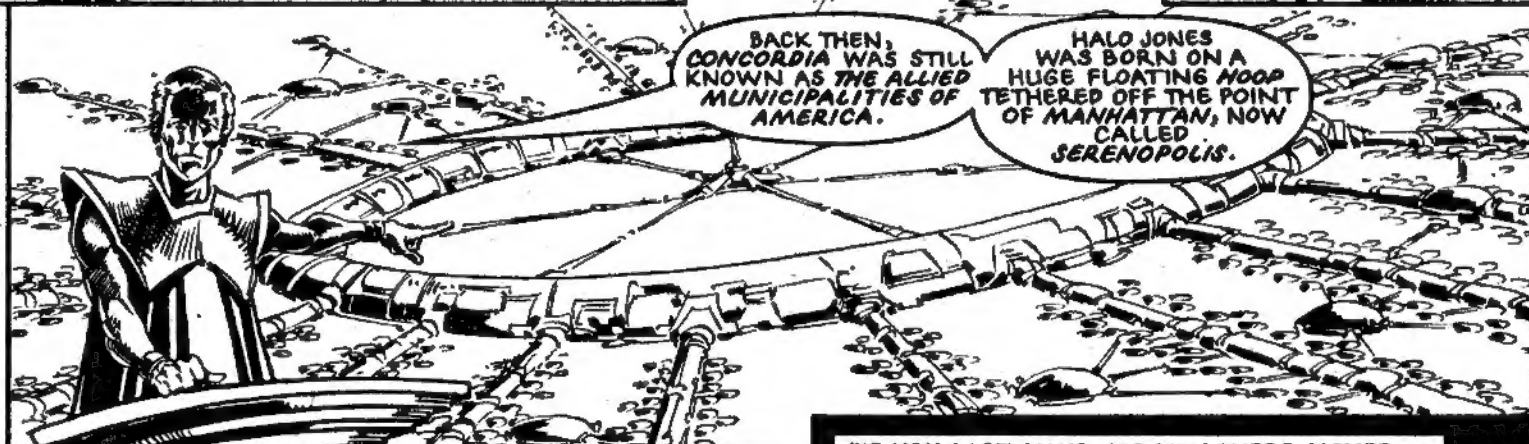

DURING THE TRU-MALE EMPIRE OF THE 52nd CENTURY, IT WAS EVEN CLAIMED THAT SHE WAS A MAN, NAMED HAL JONES.

SO... WHO WAS HALO JONES?

TO FIND THAT OUT, WE HAVE TO GO BACK TO THE TIME OF HER BIRTH — BACK TO THE 50th CENTURY A.D., ACCORDING TO THE OLD CALENDAR.

BACK THEN, CONCORDIA WAS STILL KNOWN AS THE ALLIED MUNICIPALITIES OF AMERICA.

HALO JONES WAS BORN ON A HUGE FLOATING HOOP TETHERED OFF THE POINT OF MANHATTAN, NOW CALLED SERENOPOLIS.

"THE HOOP WAS A MASSIVE DEAD END IN WHICH TO DUMP AMERICA'S UNEMPLOYED.

"CALLED A 'POVERTY REDUCTION PROGRAMME', IT DIDN'T REDUCE POVERTY... IT JUST MEANT THAT PEOPLE NO LONGER HAD TO LOOK AT THE POOR.

"IF YOU LOST YOUR JOB YOU WERE MOVED TO THE HOOP, WHERE YOU LIVED ON A STATE-PROVIDED CREDIT-CARD SYSTEM CALLED MAM UNTIL YOU FOUND EMPLOYMENT.

"EXCEPT THAT THERE WASN'T ANY EMPLOYMENT."

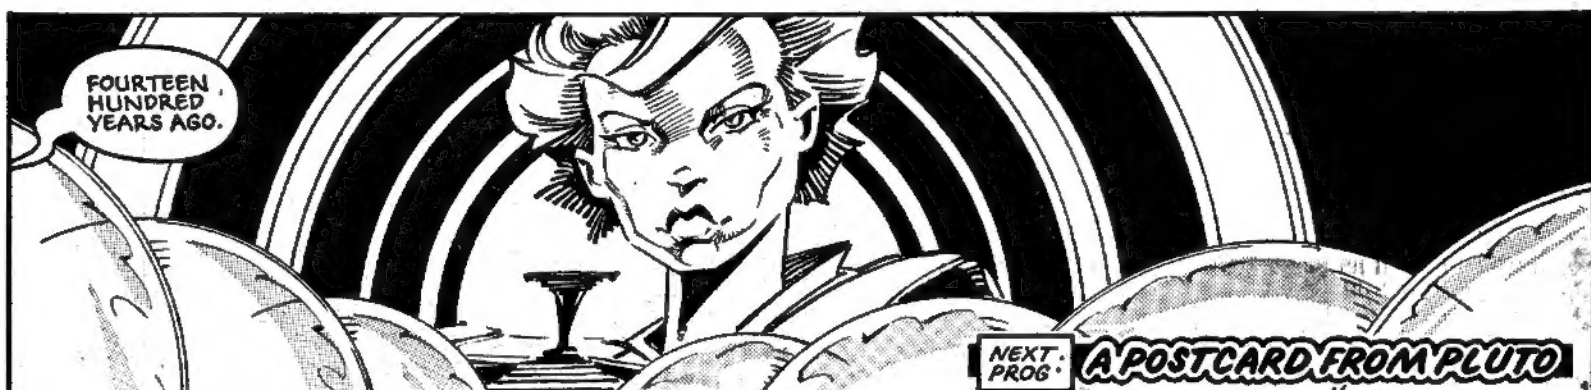

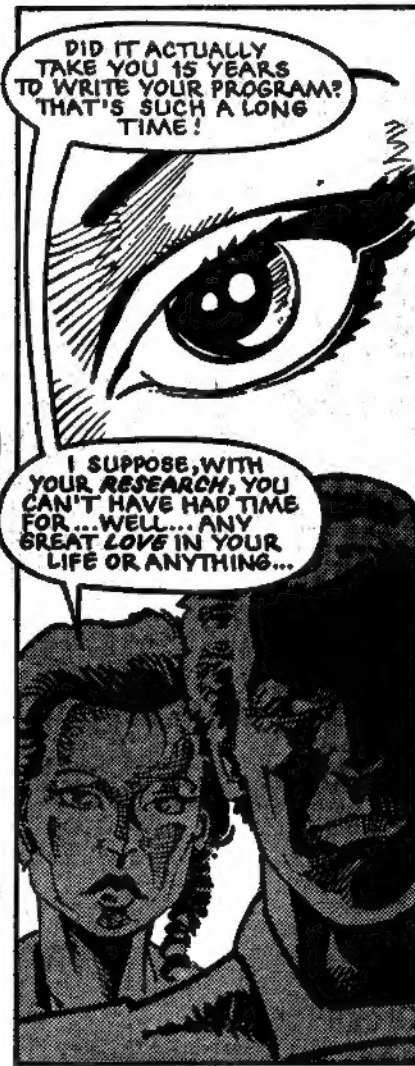

ON MILLI-COM, ROGUE TROOPER HAS SECRETLY ACCESSED THE PERSONAL COMPUTER OF STAR MARSHAL NUKROM LAMAL.
